BENZI DESENATE - Muzeul Florean organizeaza primul Salon International de Benzi Desenate in februarie 2010. Credem ca Benzile Desenate au ajuns in ultimii ani printre cele mai interesante forme de exprimare a artei contemporane. Ce dorim?

1. Sa trimiteti cit mai multe benzi desenate indiferent de subiect si indiferent de lungime.
2. Ne-ar face placere sa fie alb-negru, dar acceptam si color.
3. Tehnica este libera.
4. Vernisajul salonului va fi in 15 Februarie 2010.
5. Trimiteti toate lucrarile pina in data de 10 ianuarie 2010, data postei, pe adresa:

MUZEUL FLOREAN

6. Premii, anul acesta primii 3 clasati vor primi cite o carte manuala, de artist, realizata de Mircea Bochis cu lucrarile din salon. Incepind din 2011 este posibil sa schimbam sistemul de premiere si sa trecem la premii in bani in functie de anvergura salonului din 2010.
7. Daca iesim cu bine din criza promitem sa fim generosi cu premiile in viitor... anul acesta este bine sa evitam sa discutam despre bani...
8. Toate lucrarile devin proprietatea Muzeului Florean si vor deveni un punct de reper in lume privind studiul Benzilor Desenate in acest moment si implicarea lor in arta contemporana. Muzeul Florean se va ocupa de promovarea si sustinera tuturor artistilor implicati prin organizarea de expozitii in cele mai interesante centre artistice ale lumii. Daca doriti sa ne invitati sa venim la dumneavoastra cu colectiile noastre nu ezitati sa faceti acest lucru.
9. Toate lucrarile prezentate la salon vor fi prezentate pe site-ul Muzeului Florean: <http://www.cmc.ro>
10. Pentru informatii de orice fel apelati la Mircea Bochis: mirceabochis@adslexpress.ro.
11. Trimiterea lucrarilor la salon spre expunere inseamna automat acceptarea tuturor conditiilor din acest regulament.
12. In functie de complexitatea operelor trimise este posibil ca incepind cu editia a-II-a salonului sa mergem pe anumite tematici specifice. Va asteptam, vrem sa incepem anul 2010 cu piciorul drept si sa uitam de complicatiile financiare din 2009 care ne-au obligat sa fim foarte prudenti la tot... si cum bine stiti, prudenta nu este lucrul care-l caracterizeaza cel mai tare pe un artist...

We are looking forward, we want to enter the new year 2010 successfully and forget about the financial complications from 2009 that forced us to be very cautious to everything... and as you know very well prudence is not the main characteristic of an artist...
